The submitted products have been tested by us with the listed standards.

This Certification of Compliance is issued according to the Great Britain Electromagnetic Compatibility Regulations 2016. It confirms that the listed product complies with all essential requirements of the Regulations and applies only to the sample and its technical documentation submitted to Shenzhen ATL Testing Technology Co., Ltd.

After preparation of the necessary technical documentation (which must be kept for up to 10 years after the product is placed on the GB market) as well as the UK Declaration of Conformity, the required UKCA marking can be affixed on the product. Other relevant regulations have to be observed.
